GP Surgery Enter and View Questionnaire Results

Priory Medical Centre - 20th April 2015

Number of Respondents: 30

Question One

How would you rate your GP surgery on the appointment booking system?

Good 	Average 	Poor 
19	7	3

Additional Comments

One person did not respond to this question.

“Hard to hear on the phone.”

“Can be problems for patients not able to take phone calls at work.”

“Improved.”

“Prefer online.”

“Poor since changed system.”

“Much better.”

“Couldn’t have been better.”

“Phone takes a long time.”

“Better.”

“Can be a problem at work waiting for a call back.”

“Changed system ok.”

“Frustrating. Have to wait for call back. Long process.”

“No problems.”

“Difficulty with phone menu. Multiple phone calls to make appointment.”

“It’s difficult waiting for phone calls when you are at work, both in terms of being able to take the call and achieving privacy when working in an open plan office.

It’s also difficult phoning for and getting appointments after work.”

“It’s a Mickey Mouse system - the GP had to call back me back to book an appointment for my mother when the GP had advised previously my mother should have one as a follow up.”

“I feel like you need to ring up with a specific issues when I would like to have a chat with GP about my whole experience.”

Question Two
How would you rate your GP surgery on the surgery opening hours?

Good 	Average 	Poor 
25	3	1

Additional Comments

One person did not respond to this question.
 “Better if open later.”
 “Poor, I work 7.00am-4.30pm.”
 “Would like Saturdays.”
 “Early mornings helpful.”
 “Difficult with new system. Can’t get early appointments if needed.”

Question Three
How would you rate your GP surgery on the access to the surgery e.g. Parking, Public Transport Links

Good 	Average 	Poor 
3	9	12

Additional Comments

Six people did not respond to this question.
 “Cape Road parking is poor, Brese Avenue parking is ok.”
 “Car parking is limited. Fairly central location for patients capable of walking.”
 “15 minutes - trying today!”
 “Parking is tight.”
 “Not enough disabled spaces.”
 “Parking is not that easy.”
 “Had to carry baby.”
 “Bus can be difficult sometimes. Walked from bus stop at Sainsbury’s.”
 “Parking is awful. Difficult to turn around once in.”
 “Car park is too small. I walk instead.”

Question Four
How would you rate your GP surgery on the cleanliness/hygiene of the surgery?

Good 	Average 	Poor 
28	2	0

Additional Comments

“Average - nothing specific, just less modern.”

Question Five
How would you rate your GP at the surgery?

Good 	Average 	Poor 
27	2	0

Additional Comments

One person did not respond to this question.
 “Some good, some not so good. One specifically.”
 “Do not see one GP.”
 “One does not have much time.”
 “Always good.”
 “Dr Martin is very good.”
 “Appointments too short and GPs don’t look at notes before making a call or appointment. Also don’t link things together.”
 “Dr Dalloway superb.”

Question Six
How would you rate your Nurse at the surgery?

Good 	Average 	Poor 
25	4	0

Additional Comments

One person did not respond to this question.
 “Have had a poor experience.”
 “Always good.”
 “Superb!”
 “Ok.”
 “Excellent.”

Question Seven
How would you rate the Reception Staff at the surgery?

Good 	Average 	Poor 
23	6	0

Additional Comments

One person did not respond to this question.
 “Lately more polite.”
 “Very professional.”
 “Self check-in helps.”
 “Improved. Had difficulty in the past.”
 “Generally good.”
 “Mostly good.”

Question Eight
How would you rate the punctuality of appointments at the surgery?

Good 	Average 	Poor 
16	11	3

Additional Comments

“Often run late. Even early morning.”
 “Often overrun.”
 “Better now.”
 “Sometimes have to wait.”
 “Long waiting times. If running late this is communicated on arrival.”
 “Sometimes running late. Difficult if parking in a paid space.”
 “Sometimes wait but not very often.”

Question Nine
How would you rate your surgery at involving you with decisions about your care?

Good 	Average 	Poor 
23	5	0

Additional Comments

Two people did not respond to this question.
 “Communication between hospital and GP very poor.”
 “Didn’t do six month follow up on care plan.”
 “Would like more of a two-way conversation. Not considering the whole picture, for example impact on benefits.”

Question Ten

How would you rate the overall quality, care, treatment and service from your surgery?

Good 	Average 	Poor 
26	3	0

Additional Comments

One person did not respond to this question.
 “Fine if you can get there.”
 “Very pleased.”
 “Very supportive.”

Other Comments Received

“Hard to go home and come back today for appointment. Came at 8.30am, back for 10.30am.”
 “I believe that the practice is doing its best in inadequate premises for the 14,000 patients on its books.”
 “Online booking - unable to access when first joined the practice.”
 “Not told of cholesterol results for two years. Asked for monitoring system to evidence decisions communicated to patients.”

Recommendations

- The surgery widely communicate changes to the booking system and look into concerns raised by the patients in respect of the process. Particular consideration to be given to people who have difficulty accessing the telephone during the day.
