GP Surgery Enter and View Questionnaire Results

Kineton Surgery - 27th April 2015

Number of Respondents: 23

Question One

How would you rate your GP surgery on the appointment booking system?

Good 	Average 	Poor 
18	3	2

Additional Comments

“Patient on-line booking site helpful for routine appointments.”
“Always given an appointment on the day.”
“Recently it has been harder to speak to someone when I ring.”
“Hard to book an appointment, wait a long time to see a Doctor.”
“Difficult to get appointments.”
“Appointments can take up to 3 weeks to book.”
“No priority for chronic illness.”

Question Two

How would you rate your GP surgery on the surgery opening hours?

Good 	Average 	Poor 
18	4	1

Additional Comments

“Very Good.”
“Tysoe Surgery could benefit from all day opening some days a week due to increasing housing in the area. Being a rural practice public transport is not that regular from outlying villages.”
“Should be more surgeries outside 9-5 to support working people.”

Question Three
How would you rate your GP surgery on the access to the surgery e.g. Parking, Public Transport Links

Good 	Average 	Poor 
5	11	7

Additional Comments

“Not enough parking. Especially when staff take spaces and school drops off.”
 “There are not many buses.”
 “Parking is a problem.”
 “Needs car park for staff and patients.”

Question Four
How would you rate your GP surgery on the cleanliness/hygiene of the surgery?

Good 	Average 	Poor 
23	0	0

Additional Comments

None

Question Five
How would you rate your GP at the surgery?

Good 	Average 	Poor 
22	1	0

Additional Comments

“Fantastic.”
“Not all locums up to scratch.”

Question Six
How would you rate your Nurse at the surgery?

Good 	Average 	Poor 
23	0	0

Additional Comments

None

Question Seven

How would you rate the Reception Staff at the surgery?

Good 	Average 	Poor 
18	4	1

Additional Comments

“Never positive on the phone.”
“Very helpful.”

Question Eight

How would you rate the punctuality of appointments at the surgery?

Good 	Average 	Poor 
9	13	1

Additional Comments

“Variable.”
“Generally good.”
“Patient Participation Group have asked for reception staff to indicate if a GP is running more than 20 minutes late.”
“Appointments run late up to 20 minutes.”
“Excellent!”

Question Nine
How would you rate your surgery at involving you with decisions about your care?

Good 	Average 	Poor 
23	0	0

Additional Comments

“Very good.”

Question Ten
How would you rate the overall quality, care, treatment and service from your surgery?

Good 	Average 	Poor 
22	1	0

Additional Comments

“Fantastic.”
“Medical fine.”
“Admin. Extremely poor.”
“Very Good.”

Other Comments Received

“Kineton is growing community with lots of targeted development [area 600 houses]. So need to expand to cope with future demand. This has to be planned.”

“Once I was told that ‘do you know how many patients I have seen today, it’s 6.00pm I’m 45 minutes late’. With due respect that wasn’t my fault. Great service now.”

“I find these 2 surgeries, their staff and particularly the GP quite exceptional. Their care and help are exemplary.”

“We really need a practice closer to Lighthorne Heath.”

“The delay in being able to see a GP can be a problem at times.”

“Find it hard to get in with own doctor most of the time.”

“Good liaison from hospital to GPs.”

“Overall not bad.”

Recommendations

- Informing patients on the day of any delays which may impact their appointment. Good practice seen at other surgeries has involved a notice board in Reception to notify patients of current waiting times or the use of the electronic check in to do this.

Surgery Response

No additional response given.
