

# Experts by Experience Co-production Service

This is an easy read information pack and application form for joining Grapevine's Experts by Experience service.

Are you autistic, or do you have a learning disability?

Or are you a parent/carer of an autistic person or someone with a learning disability?

Do you want to use your experiences to make a change in Coventry and Warwickshire?

Experts by Experience is a paid opportunity to make services work better for disabled people.

You can share your experience of:

Social care and support, including support in your own home, support in the day, and respite support.

Where you live or what you would like from your housing.

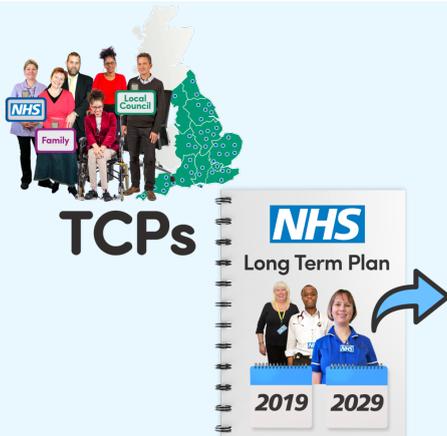

Healthcare services such as stays in hospital.

You will be part of developing our response to plans and strategies such as:

The Transforming Care Programme and the NHS Long Term Plan.

We want to make sure the right people work for us, so you could also help with job recruitment.

Your experience is valuable, so some of these opportunities are reimbursed.

# Want to get involved?

Get in touch with your name, email address, phone number.

Tell us what areas you have experience in and what you can bring to the role.

You can also contact us with any questions.

Send Suzie or Sophie an email:
