Other Comments Received

"Number of patients at the surgery is overstressing the service. GPs are overworked".  
 "Could keep up with the times i.e. SMS messaging etc."  
 "Always been a good, pleasant experience".  
 "Only problem is trying to get through on the phones to book an appointment, phones are very busy. Mornings are very bad and afternoons are getting bad also".  
 "Very pleased with the practice as a whole over the years".  
 "Phones are busy. Message to hang up if not urgent, or if urgent to call 999 - always the same message. Once through there are no problems"  
 "Various family members have been struck off - we only found out by trying to make an appointment".  
 "Did a good job with changing the layout".  
 "Would be good to get a text if doctors are running late".  
 "Happy with the service".  
 "Staff are really good".  
 "Another phone line for appointment bookings".

## Recommendations

- The surgery look into the concerns raised by the patients in respect of the appointment booking system. One solution to this could be maximising the use of online appointment booking to reduce the amount of telephone traffic.
- The surgery provide the Patient Participation Group (PPG) with a notice board so that patients are aware of the role of the PPG and minutes of meetings, results of surveys etc. are available within the surgery.
